- FOR IMMEDIATE RELEASE -

GUESS WHO IS COMING TO SAN DIMAS SOON!

The San Dimas HEROES Organization wants to know if you can guess the answers to these questions:

- What world renowned teams have traveled all over the country since 1933, the living embodiment of America's great industrial spirit.
- Who are on the road at least 10 months every year, with 32 legs and a hitch?
- Who, at four years of age, stands 72 inches high and weighs between 1,800 and 2,300 pounds?
- Who wears 5 pound shoes, measuring more than 20 inches from end to end?
- Who consumes as much as 20 to 25 quarts of whole grains, minerals and vitamins, 50 to 60 pounds of hay, and 30 gallons of water per day?
- Can you guess or do you already know? Hint: Who has huge white furry feet, 32 to a team?

There is a team coming to San Dimas the first week in May and their appearance will be helping to honor San Dimas' Veterans by raising funds to help complete the Veterans' Monument.

They are majestic, powerful, and graceful, they are the world renowned Budweiser Clydesdales.

More details to follow

All proceeds from the event will go to the San Dimas HEROES (Helping Establish a Remembrance of Every Serviceperson) to help fund continued phases of construction for completion of the new Veteran's monument in San Dimas.
